RE: Coyne for Congress (William J. Coyne)  
Identification No. C00119701

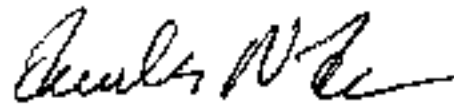

Dear Ms. Kelly:

Enclosed please find amended reports covering the reports filed in 1996. These amendments were necessitated by the fact that in 1997, we were advised of an additional in kind contribution by the Public Securities Association PAC that was made in 1996. The PAC apparently inadvertently failed to advise the Committee of same.

After being initially advised of the additional contribution I then encountered difficulty determining the nature of a portion of the in kind contribution and wanted to clarify that all of same were for reception expenses. Because of the fact that this additional in kind contribution occurred during the first reporting period for 1996 it then necessitated my amending every subsequent report through the end of the year so the year to date reporting was accurate. Thus, there was considerable time involved in preparing these amendments.

Should you have any questions regarding these amendments please feel free to contact me.

Very truly yours,

Frederick N. Frank
